

Welcome to the major event in Latvian Aviation – the **Riga Fly-In 2014**

Aerodrome Spilve, Aug 15-17

(This is a preliminary information flyer)

The official dates are August 15-17 but pilots are welcome to arrive earlier and depart later as well.

Program:

Friday, August 15

- arrivals and meeting
- campus building
- press conferences
- training flights
- late night party for pilots!

Saturday, August 16

- aerodrome „open gates” day for general public
- static aircraft exhibition
- aviation industry exhibition
- aerobatic and formation flying shows
- antique car show
- awards for the „Aircraft of Riga Fly-In 2014”, „Masterpiece” and the „Public Favorite”
- late night party for pilots!

Sunday, August 17

- departures (for those wishing to depart)
- afternoon party for aviation industry employees and veterans of Latvia

Facilities for arriving aircraft/pilots:

- parking for aircraft on pavement and grass (some places in hangars also avbl, first book, first serve)
- area for tents
- WCs and showers
- buffet (not for free)
- snacks and welcome drinks at the late night parties (free)

Pilots are kindly asked to inform us about participation and arrival as soon as possible.

All info can be requested via e-mail:

info@spilve.org

We are looking for

Any aviation industry **exhibitors** welcome in exchange for some **sponsorship** funds (we are talking very honest and low numbers here).

Contact us via the same e-mail:

info@spilve.org

Any **aerobatic** or **formation flying performers** are welcome to participate, we can cover at least the fuel and operational costs on those. For performers we need at least a month for processing all the formalities so please apply until July 15. Again, the same e-mail:

info@spilve.org

Important!

All pilots planning to arrive are requested to **carefully study** the flight procedures at Aerodrome Spilve (as Spilve ATZ is a small chunk of airspace lying within the CTR of Riga International Airport). Procedures available from AIP Latvia, Spilve website and 3rd party AIS providers.

For more information:

info@spilve.org

www.spilve.org

See you in Riga!!!
